

Integrating Stakeholders at **International Association for Integrated Oncology**

Advancing Knowledge, Connecting Experts,
Transforming Oncology Education & Research

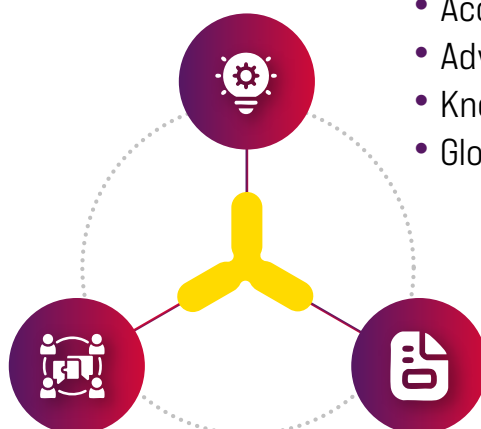

About IAIO

The International Association for Integrated Oncology (IAIO), the world's fastest-growing integrated oncology network, brings together oncologists, researchers, caregivers, organizations, and policymakers on a unified platform to foster collaboration and drive advancements in cancer patient care.

IAIO stands to fight cancer through three core pillars: content, community, and innovation. It unites cancer care professionals to improve patient outcomes and advance cancer treatment globally

Community

- Medical Oncology •
- Radiation Oncology •
- Surgical Oncology •
- Onco Pathology •
- Onco Nutrition •
- Onco Nursing •
- Palliative care •
- Care givers •

Innovations

- Accredited Platform
- Advanced Medical Education
- Knowledge Sharing
- Global Networking

Content

- Conference & Events
- Webinars & CMEs
- Publications
- Academy & Resources
- Digital Resources

Mission

To revolutionize oncology education and research through an integrated, collaborative, and technology-driven approach.

Vision

To build a globally connected, knowledgeable community that drives innovation and excellence in cancer care.

Objectives

IAIO connects oncology professionals worldwide, advances education through conferences and digital learning, supports research, and advocates for cancer awareness and patient care

Global Networking – Connect with oncology professionals worldwide for collaboration and knowledge exchange.

Education & Capacity Building – Enhance expertise through conferences, workshops, and digital learning initiatives.

Clinical Research & Publications – Support research and case-based publications to advance oncology practices.

Scientific Resources & Databases – Access a wealth of oncology knowledge through curated scientific data.

Cancer Advocacy & Support – Drive awareness, funding, and patient support programs for a healthier future.

Meetings & Events
Organizing and managing various events.

Academy
Offering educational programs and training.

CSR & Public Welfare
Engaging in corporate social responsibility initiatives.

Our Key Services

....

Digital Library
Providing access to books and informational materials.

Education & Research
Assisting with research-related inquiries and resources.

Communities
Fostering connections among members and groups.

Membership
Providing access and benefits to members.

Doctors

Shaping the future of integrative oncology through medical education and clinical excellence.

For Oncologist,
By Oncologist

Professional Practice Made Easy with IAIO

Join IAIO, an accredited global platform, to enhance your expertise through CME programs, oncology updates, and networking. Access exclusive resources, academic grants, and a dedicated profile to showcase your contributions. Engage in research, education, and collaborations to advance your medical journey.

Professional Practice Enhancement with IAIO

Networking
Expanding professional connections globally

Global Exposure
Opportunities to enhance expertise worldwide

Accreditation
Association with a recognized medical council

CME Programs
Access to continuous medical education

Oncology Updates
Latest trends and discoveries in oncology

Profile Elevation
Showcasing expertise through a profile page

Key roles of Industries in IAIO

Meetings & Events

- Physical & Virtual Conferences
- Exhibitions
- Industry Sponsored Sessions.
- Sponsorships
- Webinars & CMEs
- Product Launches & Promotional Meetings
- Advisory Board Meetings
- International Events

Education & Research

- Master Class Series
- Awareness & CSR Programs
- Scholarships & Grants
- Research Board & Advisory Panels: Collaborating with experts to foster innovation and guide scientific advancements.
- Publications & Manuscript Enhancement

Content & Community

- Industry & Doctor Engagement
- Digital Library
- Industry Accounts & Notifications

Students

Empowering Future
Oncology Leaders Through
Education, Research, and
Global Collaboration

IAIO Featured Conferences & Events

1

Indo Oncology Summit (Flagship Event)

A premier gathering of global oncology experts, featuring keynote sessions, panel discussions, and research presentations.

2

Oncology Updates

(Asia's Largest Virtual Periodical Series)

A digital learning platform delivering cutting-edge updates in oncology through live and recorded sessions.

3

International Conferences

High-impact global conferences that bring together leading experts, researchers, and clinicians to discuss advancements, share research findings, and explore innovations across various oncology disciplines

4

CMEs

Continuous medical education (CME) programs tailored for oncologists, researchers, and healthcare professionals.
